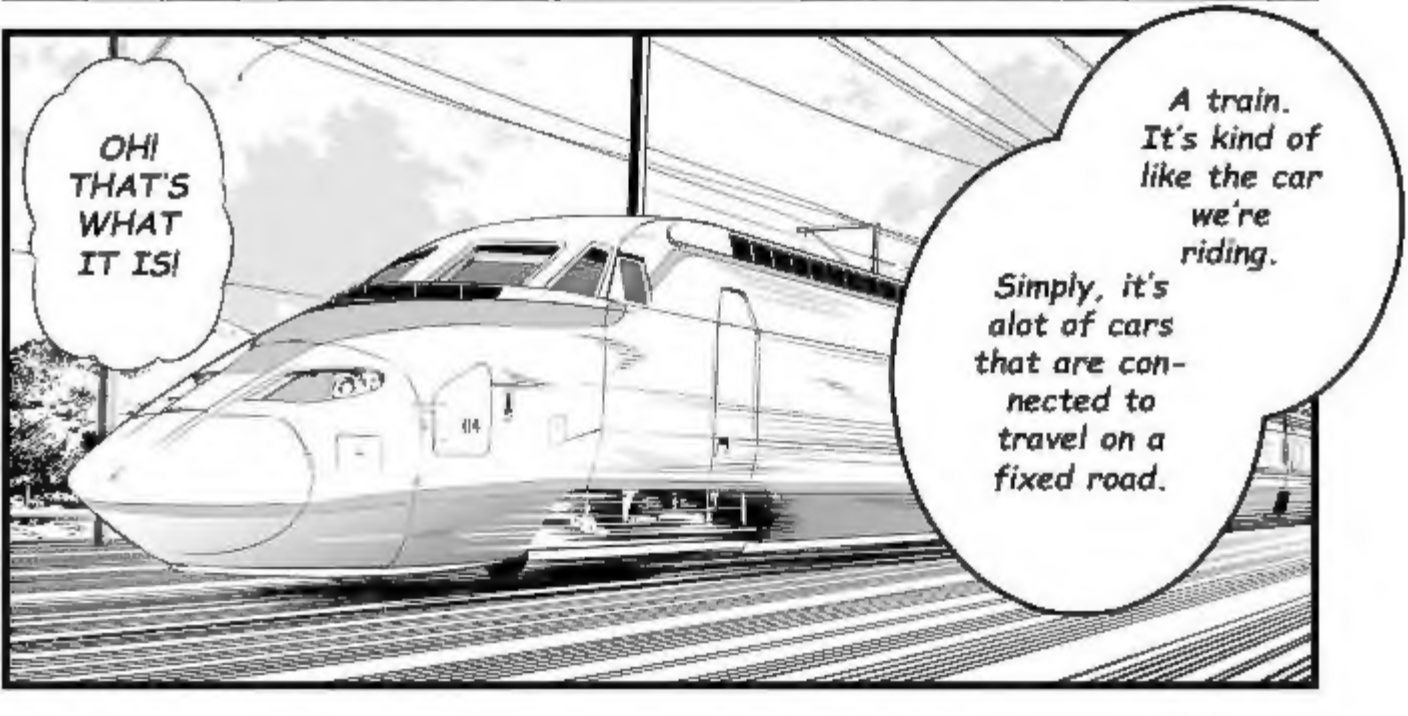
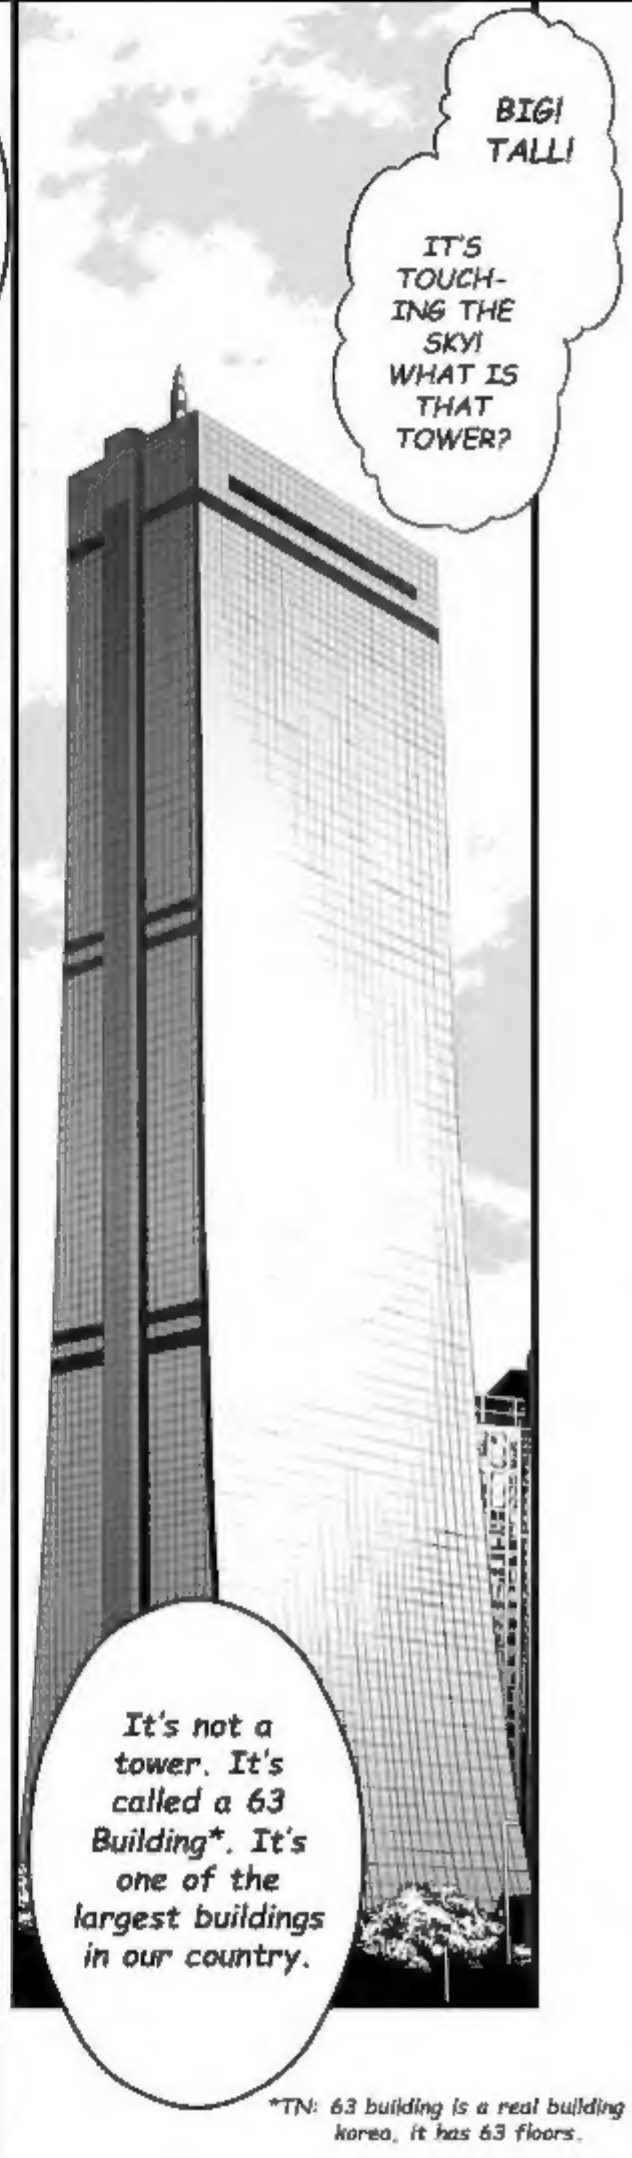
Sung Hoon! Sung Hoon! What's that?
WOW~



OH! THAT'S WHAT IT IS!
A train. It's kind of like the car we're riding.
Simply, it's alot of cars that are connected to travel on a fixed road.

Since we finished our tour of Seoul,
let us return to the young master's kennel.
Just what do you think my house is?!
Isn't this a driving service? Isn't it expensive?
Are phantom's rich?
No need to whisper.
The driver knows our identity.
EH?



BIG! TALL!
IT'S TOUCHING THE SKY! WHAT IS THAT TOWER?
It's not a tower. It's called a 63 Building*. It's one of the largest buildings in our country.

*TN: 63 building is a real building in korea, it has 63 floors.

We've been living on this land for over 4000 years.
Humans in high positions know of our existance,
and we recieve alot of help from them.
Haha. I'm just a normal human.
Can phantoms get a driver's license?
Huh?
If we go on a rampage, their positions would be endagered.
That's kind of unexpected.
Even if the master LEAVES HER POST, its a simple task.
And that's why we try our hardest to satisfy the phantoms.
As usual, you can say some scary things with a straight face.
Haha, excuse my rudeness.
Then what is your relation to Miss Sae Hee?
I'M NOT A LITTLE GIRL...!!
But I've never seen this little girl before...

Who gave you permission to ask questions, human?
Ah, excuse me.
You looked happier than normal,
I'll focus on driving now.
Sae Hee, Sung Hoon's face is stuck!
In that case, use both of your hands to caress his body and it'll become unstuck.
WHAT? DON'T TOUCH ME !!

Is the fact that Rang Ii left the mountains,
a big deal?

In case she accidentally calls Rang Ii "master?"
Was that also why she got mad just now?

Ever since we left the mountain, she hasn't called Rang Ii "master" even once.
Is that why she was ignoring all of Rang Ii's questions during the drive?

This is,
Yes-

It's significantly small!
leans on the shoulders of the young master's mother who has a high income and is able to afford a house with a backyard and live a stable life.
the place where my sad excuse of a human being brother who has some income due to his small dedicated fanbase, but has no skill in the art of wrting
OH!
An explanation so long that I feel like skipping it. Thank you.

Hey! What are you saying about someone else's house?!
OW OW OW OW! M, MY EARS ARE MY WEAKSPOT!
Yes, it's small compared to grandpa's house.
But do you know how hard it is to live in a house like this in seoul?
But,
Living together with me and Sae Hee, and if you consider the children that we're going to raise,
a small house is a small house-!
WHY ARE YOU PLANNING A FAMILY TREE??

Master, you have nothing to worry about.
THAT DAY WILL NEVER COME!!
If the young master can't afford a house by then, I'll save money for you two.
Why is nobody coming out?
I guess nobody's home. Let's go in.
딩동 딩동 딩동
Ah, wait a minute.
When I looked around, there wasn't any defensive spells around this house.
Don't you feel unsafe like this?
Or course not. What, should I call a shaman?
I'll atleast set up a guard.
This is kind of random,
but I really like tigers. Whether it's the zoo, or on TV...
However...

TIGERS HANG-ING AROUND MY FRONT LAWN IS AN EXCEPTION-!
RAWR !! (Ready for duty!)
I feel safer now
DIOR
!!
I can't do this?
OF COURSE NOT!
ARE YOU TRYING TO PUT ME ON THE 9-O CLOCK NEWS?
뚝
How about this?
On the out side, it's not that differ-ent from a normal house cat

Before we came here, do you remember what the master said?
Master, I'm sorry to say, but the young master is correct
But what if
Master
He's someone that accepted you.
But still
But isn't Sung Hoan a normal human?
And that's why, we don't have to do anything.
What did I say again?
I guess
I understand
A human's strength is in the heart, isn't it?
If you still feel unsafe, I will cast a simple spell.
I'm home-!

AND DON'T TURN ME INTO A GRANDMA!!

I HAD SOME URGENT BUSINESS TO TAKE OF, SO I'M LEAVING THE HOUSE. I'VE BROUGHT YOUR DAD ALONG, SO PROTECT THE HOUSE AND YOU CAN PUT RANG II IN MY ROOM.

I AM NOT! AND YOU'RE HERE TO!

Am I a target as well?

DON'T MAKE FUN OF A PERSON'S SCORN! IT HURTS THEIR FEELINGS!

What's wrong with Sung Hoon's expression?

Since the young master's father and mother aren't home, he's thinking about doing naughty things as he's alone with you.

Good children shouldn't try this!

IS OUT OF SERVICE ...

IS TURNED OFF...

※WARNING: DON'T TRY THIS AT HOME.

Hey! Isn't that my room?!
That is correct.
Well, I'll go unpack our things.
Well, that room reeks of chestnut flower.
Why? Are you growing chestnuts in this house?
That's because when a man gets sexually aroused..
IF YOU'RE GOING TO GIVE SEX-ED DO IT WHEN YOU'RE ALONE WITH HER-!!
You guys are using my mom's room, so don't unpack in weird places!
I'm going to wash my face, so don't try anything funny!!
Because things like this are hidden, a sadist like the young master is born.
!
What, do you need to use the bathroom?
후~하
I'm exhausted...

Why do humans pointlessly wash their bodies?

Hey, can you pick up my soap?
WHAT —?!!
